CLARKSON
SECONDARY SCHOOL
OFFICIALLY OPENED
JUNE 17, 1970
On behalf of the Chairman and members of the board I congratulate the students of this school on the publication of their Yearbook. Within its pages is a record of the activities of the school during the past year. As the years pass by these pages will recall memories of happy experiences and close friendships.

Society and its educational system have seen fit to grant many new freedoms to young people. With these freedoms go responsibilities for self-discipline, clear thinking and wise decisions. Although we are pleased that the vast majority of students have accepted these freedoms with maturity and wisdom, we are concerned that some may be failing to acknowledge their responsibility to themselves and to society. We hope that these young people will early find that life must have direction and purpose and goals to achieve. May the new freedoms be a help and not a hindrance to a more meaningful educational experience in secondary school for all students.

J.A. Turner,
Director of Education.

The Peel County Board of Education

SEATED (left to right) Mr. R.H. Lagerquist, Mr. D.E. Huss, Mrs. W.R. Milne, Mr. E.F. Conover (Chairman - 1970), Mr. H.H. Hilton, Mr. G. Grice. STANDING Mr. J.R. Boyd, Mr. J.O. Hart, Dr. E.G. Rawling, Mr. R.G. Tate, Dr. M.F. Barry, Mr. W. Kent, Mr. R. Bos, Mr. R.F. Kee, Mr. D.J. Stockley, Dr. P.G. Bolland, Mr. J.D. Stewart, Mr. A.E. Gould, Mr. A.W. Warrick. ABSENT: Dr. E.H. Humphreys.
In the total historical record of Clarkson Secondary School, the students and staff of 1969-1970 have had unique opportunities. To a large extent we have shaped what the school will be in the years to come.

Our influence has been positive in those activities in which we became involved. Or... our influence has been negative in that we did not accomplish what we might have, through an absence of personal involvement. The year ahead offers us opportunities to fill in any gaps we left this year and to add a little to that which we have already started.

As principal and member of the first school community, I am proud and very excited about your contribution and commitment. The student body and staff have established a level of expectation for others, which may be equalled but never surpassed.

CONGRATULATIONS!

[Signature]
The extent to which one person or a group of people contributes to another's growth and development is not easily measured; moreover, the shape and nature of that contribution is very complex and intangible when we try to comprehend it. Yet it seems to me that we must never cease trying, for surely within this thought lies the secret of fulfilment and happiness. I know I have learned much and been greatly enriched by the patient teaching and understanding of our Principal and his staff and your consistent support and devotion to the fundamental concepts upon which this school is founded.

It is rarely the case that people are privileged to be not only the participants, but the founders of something new and exciting, something rewarding and enriching, something progressive and promising. But that rare privilege has been granted to all of us at Clarkson this past year, and I am and always will be very grateful to you for making it possible.

Gary Banks: ENJOY THIS LIFE. IT IS TREMENDOUS!

Donald Cass: LIVE BY THE “GOLDEN RULE” – IT WILL ALWAYS BE RELEVANT.

John Duerdoth: $x^2 + 2x$

Diane Fleming: LOVE WISDOM BUT DEAL GENTLY WITH ERROR.

David Lewis: TREAT OTHERS THE WAY YOU WOULD LIKE THEM TO TREAT YOU. SCHOOL – REMEMBER, NO MATTER WHAT SUBJECT YOU DECIDE TO TAKE, TO BE SUCCESSFUL IN IT YOU MUST WORK HARD AT IT. SAME THING APPLIES TO SPORTS, HOBBIES, EVEN WINNING OVER A GIRL OR BOY FRIEND.

Bronwen Lloyd: BE REAL.

J.B. MacLean: “A CIVILIZATION THAT DOES NOT REMEMBER ITS PAST IS DOOMED TO REPEAT THE MISTAKES OF ITS PAST. HISTORY PLAYS FOR KuERS.”

Bob Poe: LIFE IS BEAUTIFUL, ALL YOU HAVE TO DO IS LIVE IT!

Daniel Ratcliffe: NEVER LOOK BACK.

Mrs. Sloan: PEACE, LOVE, FREEDOM, HAPINESS, RESPONSIBILITY.

William Smeaton: I WOULD LIKE OUR SCHOOL MOTTO TO BE “VINCET QUI SE VINCENT”

Mr. Elstub: A REALIZATION OF ONE’S OWN LACK OF KNOWLEDGE IS THE BEGINNING OF WISDOM.

Ron Vasilash: WE SHOULD AT LEAST ATTEMPT TO “WALK A MILE IN EACH OTHER’S SHOES”.

Ian Young: A MINI LESSON IN GEOGRAPHY. NEW ZEALAND IS 1200 MILES SOUTHEAST OF AUSTRALIA. THE TASMAN SEA IS NOT CROSSED BY THE SYDNEY HARBOUR BRIDGE.

The Senior Band was slow in starting this year due to shifts and the lack of a music room. Yet because of their great team effort and enthusiasm under the inspiring direction of Mr. Brown they overcame these obstacles and performed tremendously well at the Official Opening of Clarkson Secondary School.

DANCES

This year dances got off to a slow start due to the problems caused by an unfinished school. Despite the difficulties, the first dance, featuring 'Leigh Ashford', was a great success. All who attended enjoyed themselves.

There were two more dances featuring Blackwood Convention and Toke.

The year was ended with a successful semi-formal dinner dance featuring Whiskey Howl.
ASSEMBLIES

This year was a year of assemblies. The Year One students put on a very funny Christmas Assembly. Year Two and Three put on a Spirit Week and the Year Fours presented the ‘Irvings’ to deserving teachers.

Mr. Brown and the C.S.S. Band should be thanked for the music they supplied in all the assemblies.
